

2006 SHIRAZ

## ACCOLADES

### **Woman's Day "Tasty \$10-and-Under Wines" - October 2007**

*"A trusty standby... perfect when you want an after-work glass of red."*

### **Koeppel On Wine "Refrigerator Wine" - September 23, 2007**

#### **VERY GOOD**

*"Deep, rich, spicy and earthy, Alice White's Shiraz 2006 would put the lie to examples costing twice as much. Luscious blackberry, black currant and plum flavors partake of bittersweet chocolate, potpourri and minerals, while the velvety, chewy texture receives expansive support from polished, grainy tannins. Now through 2009. Amazing for the price."*

- F. Koeppel

### **Wine Spectator "Australia - Shiraz and Blends" - August 31, 2007**

#### **85 POINTS**

*"Bright and appealing for its blackberry and vanilla flavors. Finishes soft. Drink now."*

- H. Steiman

### **Colorado Wine News [Denver, CO] "Australia" - July 1, 2007**

*"... has forward jammy blackberry and smoke aromas which continue as juicy flavors laced with light, granular tannin."*

- H. Baer

### **Wine Lovers Page "Bucko's New Releases" - Summer 2007"**

#### **- June 1, 2007**
